Blessed by God to survive the injury and with the help of a good wife, he became a deacon, Bible Study teacher in the church, serves on the Board of the Lighthouse Foundation, and shares monthly devotionals with residents of Southern Manor. *"In your patience possess ye your souls."* Luke 21:19

David Jacobs is a native of Siler City, North Carolina. He has resided in Bulloch County, Georgia for over thirty years. In 1990 he was diagnosed with retinitis pigmentosa and now he is completely blind. He has learned to depend on God as he daily "walks by faith and not by sight." He has been an inspiration to many in our community.

**Brian Cagle, Singer/Testimonial Speaker**

Brian is from Monticello, Georgia, a country boy with a heart of compassion that crosses all boundaries. He has walked through the valley of the shadow of death and lived to tell about it. God has performed miracles for Brian and gave him a purpose to sing and tell of God's goodness around the world. Don't miss his testimony.
